

UNCRC Rights Respecting School

DECEMBER 2023

23

CHILDREN WITH
DISABILITIES

Article of the Month

On 3rd of December we celebrate International Day of People with Disabilities. This global event promotes equality for people with disability and celebrates their achievements. It has been celebrated every year since 1981.

Article 23

Article 23 states: A child with a disability has the right to live a full and decent life with dignity and, as far as possible, independence and to play an active part in the community.

Governments must do all they can to support disabled children and their families.

RRS Assembly

Last month our Rights Respecting Schools Ambassadors held an assembly for the infants, upper school and nursery. They told them what a Rights Respecting School looks like, shared examples from other schools and gave more information about the rights. They launched a whole school competition to create a Rights Respecting Schools mascot for Milngavie Primary. Entries for the competition have to be handed in by the 8th December.

Last Month's Learning...

Linked to our Article of the Month, the right to be protected from war, the Primary 7s marked Remembrance Day. They hosted a wonderfully poignant and respectful service where Primary 4-6 and parents were invited along.
