MILNGAVIE PRIMARY SCHOOL AND EARLY YEARS CENTRE READING NEWSLETTER

We are delighted to announce that we have received our Reading School Core accreditation! A huge thank you to everyone for their efforts:

- Reading Ambassadors for help, leadership, positive energy
- Our pupils for being so enthusiastic about all reading activities, events and reading adventures
- Teaching staff for being so committed to ensuring learners had lots of opportunities for reading for pleasure
- Families at home for attending events, completing surveys, encouraging and reading with children and sending in great photos
- Philip, our local librarian for working with the school community and ensuring all children access our local library
- The office staff for arranging all the visits
- Milngavie Primary PTA for agreeing to fund our new library system

It really has been a team effort!

Comments from our accreditation process...

I enjoyed seeing the lovely creative and fun things you have been doing at your school, things like Get Comfy Reading, Shakespeare Week, Comic Book club, and all your lovely classroom book projects.

I am impressed with the positive relationship you have with your local library. It is clear that you have all worked hard to create a delightful and positive reading environment!
