

MILNGAVIE READS

MILNGAVIE PRIMARY SCHOOL AND EARLY YEARS CENTRE READING NEWSLETTER

Shakespeare Week

We will be celebrating a week of Shakespeare in school from 24-28th March. It is worth noting why it is so important to introduce Shakespeare's work at primary stages, with a packed curriculum. Shakespeare's plays, poems, characters, words and phrases can be found across the arts, in our collective culture and also in our everyday lives. It enables our pupils to make connections that can build their knowledge and understanding.

We are a **Reading School**

Shakespeare Week is co-ordinated by the Shakespeare Birthplace Trust.

This is the 11th anniversary of the celebrating The Bard in schools. We have fun literacy and art activities planned throughout the week. The school has built up lots of resources including child friendly Shakespeare texts, a model of the Globe Theatre and even our very own MPS Shakespeare duck.

"To quack or not to quack..."
